

Seahorse Hurricane SE-1530 Long Protective Case

The SE-1530 Seahorse Case will protect your valuable equipment, withstanding incredible abuse in extremely harsh environments. Designed for style as well as durability, the Seahorse SE-1530 Case is moulded from tough polypropylene and is rugged, lightweight, watertight, airtight, and economical. The case has an overlapping interlocking lid that eliminates any distorting, mismatching and contributes to an overall sturdier case. A Perimeter O-Ring seals out the elements, protecting the contents of the SE-1530 from water, dust and other contaminants. The Seahorse SE-1530 Case will not chip, dent, or lose its finish.

Features

- Watertight, Airtight, Rustproof, Dustproof and Crush Resistant.
- Automatic pressure purge system.
